Hi, every one, this is the  
church we go to. Only  
about 4 miles from our home.  
Hope Gary and Linda got home  
safe. We are leaving Sat. A.M.  
for our trip all the way  
by Bus. We are both well.  
We were out driving yesterday  
saw some pretty country  
all ranches every thing green  
hay fields, cotton all kind of  
crops all irrigated, real  
pretty. I couldn't believe it  
like Lancaster Co. in  
California.
